PRELIMINARY AMENDMENT

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

This is a Preliminary Amendment in the above-mentioned application, for which a Continuing Prosecution Application had been filed on July 17, 2000. Consideration of this Preliminary Amendment before examination of the application is respectfully requested.

IN THE SPECIFICATION:

Please substitute the enclosed specification for the present specification in the application. For the Examiner's convenience, enclosed is a copy of the compared version of the specification which displays all of the changes requested in parent application no. 08//664,238, to verify that no new matter has been added.
